Electronic verification

By completing certain sections of this investor identification form and providing us with information to establish your identity, you acknowledge and agree that this information will be used by InvestSMART to establish your identity via an electronic check.

Please note that some applications will require additional information that cannot be satisfied by an electronic. This will be stipulated on your relevant AML verification form.

Certified document verification

In the event you do not wish to participate in the electronic check or InvestSMART fail to verify your identity via that method, we are required to collect original certified documents that satisfy our legal obligations under this legislation.
